

RESCUE ID

BE READY. BE SAFE.

PRODUCT ACTIVATION INSTRUCTIONS

A few quick steps and your RESCUE ID is ready to protect you.

- 1 Card & Magnet: write the person's first & last name in the white box with a black marker, then let it dry.
- 2 Log in to your account on a smartphone, tablet, or computer with a camera.
- 3 Products tab → tap “Assign” to register the RESCUE ID to a member.
- 4 Tap “Activate,” scan the QR code, then tap “Activate Product.”
- 5 Scan it once to confirm the profile appears — then update as needed.*

**Guardian plan profiles will send a text to emergency contacts.*

THIS DOES NOT REPLACE 911. In an emergency dial 911.
