RESCUE iD

BE READY. BE SAFE.

PRODUCT ACTIVATION INSTRUCTIONS

A few quick steps and your RESCUE ID is ready to protect you.

1. **Card & Magnet:** write the person's first & last name in the white box with a black marker, then let it dry.
2. Log in to your account on a device with a camera.
3. **Products** tab → tap **"Assign & Activate"** to register the RESCUE ID to the member.
4. Scan the QR code.
5. Test by scanning to confirm the profile appears — update as needed.
6. **Guardian plan:** notify your contacts before testing and use of RESCUE ID.
